Today's Message:

“A People, A Place, & A Purpose”

2 Samuel 7:12-14

Message Notes:

- ◆ **Garden of Eden:** We were created in the image of God and commissioned to rule on His behalf.
- ◆ **Theme—God Creating a People, to live in a place, to fulfill a purpose.**
- ◆ When Adam and Eve left the Garden of Eden, **hope still remained**
 - ◆ They took with them the seed of promise - their descendants would crush the serpent's head.
- ◆ **Hard Reset** - Noah, the ark, and the flood
 - ◆ Sin still entered and exited the ark with Noah and his family
- ◆ **Bridge 1:** God created a civilization of people using Abraham and Sarah - Commission transitioned to a covenant
- ◆ **Bridge 2:** Moses and the Plagues
 - ◆ God heard the cry of His people and set them free.
 - ◆ Once in the promised land, the prophets pointed to something (i.e. someone) that was the seed of promise - Jesus
- ◆ **Bridge 3:** Angelic visitor promising the birth of Jesus.
 - ◆ People - Christians; Place - the world; Purpose - spread the Gospel
- ◆ All 66 books of the bible are **pointing toward one thing... Jesus.**
- ◆ **Comes full circle** - Jesus going to prepare a place for us (a people) in heaven (a place) to return to the purpose He originally planned.
